TRADITION.

Since before the Civil War, the Orthodox synagogue now known as Keneseth Beth Israel has been a critical and vital center of the landscape of the Richmond Jewish community. For over 150 years and a series of moves, Keneseth Beth Israel has been a warm home to Richmond Jews from cradle to grave. Our pews hold fourth and fifth generation members nurtured by our past and proudly carrying our rich heritage into the future. Walking into a typical Shabbat morning in KBI, you will be greeted by sounds of the many children who are there every Shabbat--- our guarantors of the bright future.

TORAH.

Our roots run even deeper than that. KBI is dedicated to the bold proposition that the classical Judaism of the Torah and Talmud, marked by a passionate commitment to *halakha*, is equally relevant in 1856 or in the Twenty First century. Led by caring and scholarly rabbis, KBI has been the anchor of Orthodox Judaism in our community, providing support for Kashrut, Jewish education, Shabbat observance and cultivating an engaged, educated laity that provides critical leadership for our community as a whole.

WARMTH.

Our vision is exceedingly broad. We are a shul that embraces Jews across a wide spectrum of observance and background and invites them to grow Jewishly in a nonjudgmental, friendly atmosphere. Through our acclaimed adult education, our robust social calendar, delicious food and the warmth and camaraderie that are our hallmark in the community, KBI is a place that every Jew can call home. And our membership is actively engaged in every aspect of the greater Jewish community.

Keneseth Beth Israel's Endowment funds provide permanent income for the current and future needs of our congregation. Just as a family's savings provide security and opportunity, our Endowment Funds pave the way for a more secure tomorrow. By including KBI in your estate planning you will ensure that our heritage of tradition, Torah and warmth will continue to flourish. Your gift guarantees the Jewish future.

Tradition. Torah. Warmth.

Be our partner in building the next century and a half of the KBI story.
